J.D.,
It's your graduation day, a time of
memories, a day that's filled with promises
of things yet to be. There's a whole new
world out there for you, a new world to be
explored. So spread your wings and learn
to fly. It's time for you to soar! Show the
courage of your dreams, but always listen
to your heart, for both will empower you as
on life's journey you embark. I know you'll
be successful in whatever you pursue. So,
congratulations graduate, these wishes were
meant for you.
