

BUSINESS

Career Day

For two weeks in business class the students prepared a career day. During this time they designed flyers, hung letters in the hallways, made name badges for the presentors, table signs, and assisted at the fair. During this time the students learned how to promote, and how to design in MicroSoft Word.

Students design letters to hang in the hallways.

Erin Morlan and Sarah McElvoy create posters for the career fair

Team Work! Andrew Pollock helps Shiloh Worth hang letters.

Climbing to Success

Andrew Pollock, "are you doing what you're supposed to?"

Shiloh Worth checks with someone beside him to make sure he's doing things right.

Mrs. Marsee helps Eric Finley

Some students take a break!

Shh..... We're innocent!

Stephanie Reece designs a flyer

Students work on table flyers.

An example of a table flyer.
