We can barely begin to tell you of all our wishes for you. There are so many of them, and we want them all to come true. We want you to use your heart as a compass as you grow to find your way in this world, but we want you to always have an appreciation for the direction of home. We want you to be self-reliant, self-motivated, and self-sufficient, but to know that you will never be alone. We love you beyond all words, and we promise that we will love you beyond all time. All of our love, Mom & Dad
