

Let'em Graduate!

You gotta have friends!

Leaving the friendly confines of NPHS can be a scary thought, so it's nice to have a bud to share the passing of time. Even though they may not have spent all four years at NPHS, Cailin Anderson and Nick Corrie (top left) have left their mark. While Keith Morris (middle left) seems worried, his escort Renee Crosby exudes confidence at the Winter Homecoming ceremonies. Sometimes a shoulder is all you need, and Cassie Sample (bottom left) can lean on one of Adam Clodfelter's for support.

Leading the way on the court . . . (above) North Putnam's girls varsity basketball team graduated to sectional and West Central Conference champions during the 1999-2000 season. Senior tri-captains Elizabeth Owens (with mike), Terri Greene (right) and Selena Page (far right) lead the way. . . . *and on the sidelines!*

Senior Mindy O'Hair spent two years cheering for various Cougar squads in their athletic endeavors. She and fellow seniors Kari Patrick, Samantha Howell, and Jena Cloncs kept Cougar fans both entertained and enthused during the fall and winter months.
