

# Let'em live

## Cougar Pride

Wherever you look, Cougar students are keeping busy by participating in various high school activities. It can be anything, such as working for Habitat For Humanity (top left), giving blood (middle), or teaching Spanish to elementary students (bottom). NPHS students also have a lot of fun, whether it be selling carnations for the Student Council (top right), getting dolled up for Prom (bottom left), or shooting hoops at Spring Fling.
