

Spring Break this year was spent in many places. While some stayed at home, others went anywhere from Arizona, to Texas, to Florida. No matter where it was, the students still managed to have fun and get away from school.

In Phoenix, Arizona.... Courtney Carter & Ashley Bullerdick pose near the desert cacti.

Catching some rays in Fort Myers, Florida.... Adam Clodfelter, Chris Helton, Shane Greene, Ryan Hill, Selena Page, Iver Ahrens, and Terri Greene had some fun in the sun.

In Panama City Beach, Florida.... Peggy Moneymaker, Jessi Stanley, Angel Wells, Jena Cloncs, and Sara Lawson are ready for a night out.

Also in Panama City Beach.... Brier Bruner and Jenny Mendenhall had a great view from their balcony... Sun, Sand & Studs!!

SPRING BREAK 2000!!!

In South Padre Island, Texas.... Mindy O'Hair spends some quality time with her family.

In Cocoa Beach, Florida.... Jackson Rust and Adam Windmiller chill on the curb while waiting for some cuties.
