

We hope your future holds as much joy as the first 17 years gave to us. We are so proud of all your accomplishments and of the caring person you have become. Do well and be happy. Good luck.

We love you.  
Mom, Dad, Craig and Ryan

Paul,

Dad and I took look at this picture and say where did time go! We're both very proud of the person you are today. The future holds so many good things for you. We'll support you in whatever you do in life. We're so proud to call you our son. Good Luck!

Love,  
Dad and Mom

As I look back on time my heart swells with pride. My little boy has grown into a wonderful young man. Dustin you did it!! We are all so proud. My little fellow has grown from Ninja Turtles to Xmen to Power Rangers, skateboards to bikes, Nintendo to Play Station, sports to cars, girls and goals.

My Dustin has grown and will be leaving home. It's hard to let go. But wherever you go, I can call to make sure you're home by one! Don't speed, be careful, be kind, treat everyone as an equal, and wash your hands.

I wish you all the wonders life has to give. May all your trails be happy. Life's roads are always bumpy. Anything worth having is worth working for.

We love you very much,  
Mom, John, Jameson, and Dylan

May your faith in God be unshakeable, may you always turn to God in your time of need, and be grateful for good fortune.

Love always,  
Mom and Dad
