Katie and Matt,
We have had many precious
hours together during your first
eighteen years. As you go forth in
life, just know how much we care
and wish you the best always.

"May the road rise to meet you,
May the wind be at your back,
And may God hold you always
In the palm of his hand."

Love,
Grandma and Grandpa McGuire

Ash,
We have lovingly
watched you grow from a
sweet, shy little girl into a
talented, beautiful young
lady. Our pride in you is
surpassed only by our
love for you. You have

filled our lives with precious memories
and hope for your future. Our wish is that
you continue to pursue your dreams and
live life to the fullest. Be happy to be the
wonderful, caring, very special person that
you are. We love you, Sis!

Count your blessings,
instead of your
crosses. Count your
gains, instead of your
losses. Count your
yes's, instead of your
no's. Count your
friends, instead of
your foes. Count
your full years, in-
stead of your lean.
Count your health,
instead of your
wealth. And count on
God, instead of your-
self. We have always
been proud of you.
We Love You with all
of our hearts.
