

**Dude, You've Made It!!!**

Congratulations on a job well done. You have come a long way since that first day. You have a long way to go on the road to the journey of life. On your journey you should not only stop and smell the roses, you should also stop and pick one every now and then. Remember to always put your family first, and then success will follow.

Love Dad, Mom and Cammy

Kristin,

Where has the time gone?? No more being Peter Pan, not wanting to grow up. You've grown into an intelligent, respectful, beautiful young woman who I am so very proud of and love so very, very much. I have been truly blessed with you as part of my life. As you face your future, I pray the wind is at your back and God is by your side.

With All My Love,  
Mom
