Family, friends and others sit in front of a banner proclaiming their support for the band. Thanks for all your support!

At the Dome!

Drum Major Stephanie Brown directs the band during the performance at State Finals. She stated that "It was really big! We came...we saw...we played. It was big...and it was neat! We got milk!!"

(above) The scatter chart was hard to pull off, but it worked well at State! (right) Drum Majors are joined by the Guard Captains for awards. Congratulations on 8th place!
