

Rock -A-Thon 2001

And the band played on - Band parents and friends enjoyed good music during NPHS' annual spring fundraiser. Seniors Amy Harper and Amber Cox (top left and middle) each directed the band through an original piece; percussionists Kristina Butcher and Stephanie Watson (top right) swayed to the beat; xylophonists Ashley Matthews and Becky McKnight provided rhythm; the sax section played melody; and freshman Neal Knapp regaled the audience with his MC duties.

Last Concert
Assistant band director Dave Snoddy conducts the concert band's last performance with seniors.

Jazzy Soloists
North Putnam's Jazz Band got toes tapping, especially with solo performances from trombonist Amanda Genaro (middle), Shannon Majors (left) and Danny Cooper (right) on the saxophone.
