

Winter Guard Finale
NPHS' state champion Winter Guard looked flashy as they performed "Super Models". (top, left to right) Kristin Rowan and Heather Copeland show their colors; Brittney Livesay and Lida Oliver vogue; Allysha Barton blows a kiss; all flags are held high at the end; Ashley Fowler and Sarah Clark twirl their flags.

Rocking with Scorned
The popular NPHS house band rocked the audience with their own style of music. (Left) The band jams, (middle) guitarist Matt McKnight picks over his head, and singer Billy Whitehouse wails.
