

# Agriculture

**Right:** Crystal Thornton and Matt Sykes identify leaves for their Horticulture class.

**Far Right:** Devin Adams "rests his eyes" in the Ag room. Mr. Andy Maier's Horticulture class listens attentively during the block.

**Below:** Ms. Bethany Moseley, a student teacher from Purdue, holds one of the chicks born during first semester.

**Above:** Denver McMurtry cuts steel with an oxyacetylene system in shop class.

**Right:** Brett Taylor and Craig Proctor, work hard in Agriculture class.
