

Industrial Arts

(left to right) Adam Parks constructs his bridge. Cody Call contemplates what to do next. Andrew Adams adds the finishing touches to his project.

(above, left to right) If I can just get this piece in place...Cody Call adds more to his bridge. Gabe Woodard shows Kasey Keck how it's done. Tim Ball designs his next project.

(left to right) Tim Ball reinforces his bridge. Joey Baker and Josh Hendrickson watch as Mr. Dave Pasch adjusts their CAD project.
