

NEVER SAY

2002

NEVER

We never thought it could happen to us, but it did. Things in the world happen in mysterious ways and you don't expect them. You never know what the next day may bring. Live each day to its fullest. We dedicate our 2002 yearbook to the victims of the September 11th attack and in memory of Michael Robbins.

In Memory Of
Michael Travis Robbins
1984-2002
