

Science

Left:
Lee McGaughey plays
with his pet rat in
Anatomy class.

Below:
Michael Scott and Jay Jackson
prepare to mix chemicals together
in one of Mrs. Annette Maier's
chemistry classes.

Middle Left:
Ben Nicholson, Ben Dunn,
and Garrett Hedeem work
hard in Physics class.

Above:
Principal Alan Zerkel lends
some of his fathomless
intellect to a couple of
students in Integrated
Chemistry.

Bottom Left:
Freshmen Andee Lawless
and Kyle Kirkham work on
their Biology experiment.
