It is hard to believe you have gone from playing dress-up to dressing up for your senior prom. The years have gone by so quickly. You have grown from a sweet and loving little girl into an intelligent and beautiful young woman. You will go far in life. Follow your heart and believe in yourself. We believe in you and love you very much.

From Preschool to High School, from Girl Scouts to 4-H and FFA, from birthday parties and sleepovers to summer softball and school dances, your friendship has grown.

As your paths take you different directions, your bond will remain strong, because God didn't make you sisters, he made you best friends.

Congratulations on your Graduation. We are very proud of you both.
