

You've been a good son, a good student and a great athlete. We know you'll do great at college and beyond.

Mom and Dad

Benjamin Dunn

We hope that you discover many wonderful treasures in your years ahead. We love you and wish for you only the best.

Love,
Dad, Mom, and Tara

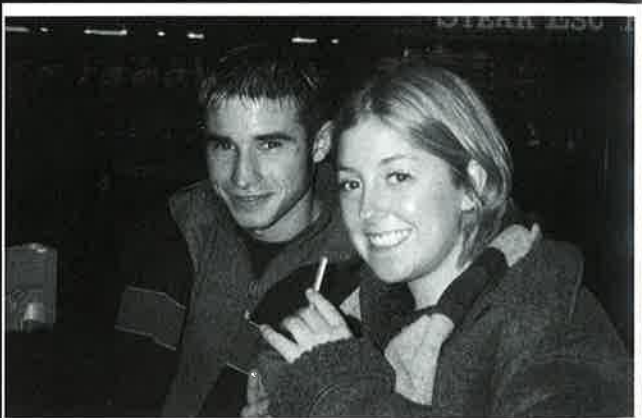

Todd McColgin

Willie
Gaskins

We are very proud of the wonderful person you have grown to be. We hope life is as great to you as you have been for us.

We love you,
Mom and Dad

Ashley-

You have been a major part of my life for over a year now. We have shared millions of laughs and smiles, many wonderful memories and a lot of dumb jokes together. It's time now for you to start a new section of your life as you wander out into the real world. As you go away to college, I hope I can still share my life with you. Believe in God and you are bound to succeed.

Best of Luck-
Jerad Bear
