

## Nikki Wampler

Nikki,

We've been through a lot your growing up years. We've had ups and downs. You have always been a trooper and a joy. I am proud of the young woman you have become: loving, kind and caring, yet independent and considerate. You know you can accomplish anything with hard work and diligence.

Love You Always,

Mom and Dad

Brandon,

We have been proud of you since April 12, 1984 and feel blessed to have the honor of being your parents. You have amazed us with your goals and successful accomplishments. We wish you good luck and much happiness in all you do.

Love,

Mom and Dad
