

Congratulations Kiel!

I have always said "Believe in yourself and follow your heart and your dreams will come true." You are my dream Kiel. God blessed me with a very loving, caring, talented son. I am very proud of the person you've become. All that studying, hard work has finally paid off. Now you can start on all your dreams. Just remember I will always be there for you and I am proud to say "You're my son!"

All My Love,
Mom
