The boys soccer team didn't have a bad season this year. The team was built with a strong senior starting varsity team. The boys had nine seniors on the team. With a 3-14 season the boys worked very hard. "They showed great improvement this season," said Coach Randy Funk. The seniors showed some great leadership qualities that will help the freshmen in the future.

"The Freshmen had a nice start this season, I look forward to coaching them next year," said Coach Funk. "It's been the best 4 years even though we didn't win all the time," said Sean Cullen, a senior and a 4 year varsity boys soccer player.

Senior Toby Baldwin observes the play on the field. "Don't mess with Texas," said Baldwin. The world may be a better place after that comment.

Right: Lee McGaughey made great improvements from last year's season. For only being a sophomore, Lee has played a major role on this team mentally and physically. "Dangit" is the famous saying by McGaughey.

Macy Fordice poses for the camera. He said after a game against Bethesda, "I'm dead sexy." We will leave that up to you to decide.
