Eighteen years ago you came into our lives and how proud we were. Now, eighteen years later, we are still so proud of you! Your life is just beginning and now it is time for you to go out and leave your mark on this world. Don't take anything for granted and relish every minute of everyday. Although there will be bumps along the way, learn from them and always keep your sense of humor. Always try and make good decisions and have fun in everything you do. Always remember how much we love you!

LOOK OUT PURDUE UNIVERSITY- HERE HE COMES!

We Love You!
