

# Ricki Keil

Ricki,  
Thank you for all the joy and love you have brought us. You have grown into a beautiful young woman. We are very proud of you. Our hope as a parent is to teach you self respect, respect for others, and to be responsible for your actions. Ricki, you have been the one to teach us. I cannot tell you how much we admire you. You have such a kind and loving heart and who can forget that beautiful smile. You have brought many good friends into our lives and we thank you for all the good times we have been able to share together. You have been a very special gift to us that we will always cherish. We hope you find much success in your future and always remember,

"You may have a right to be angry, but that doesn't give you the right to be cruel."  
"Open your arms to change, but don't let go of your values."  
"Remember that your character is your destiny."

"I hope you still feel small when you stand beside the ocean,  
Whenever one door closes I hope one more opens,  
promise me that you'll give faith a fighting chance,  
And when you get the choice to sit it out or dance.....I hope you dance."

We love you, Mom and Dad
