Mindy

It seems like yesterday that you were our little girl and with a blink of our eyes you're graduating from high school. WOW! But we are so glad you got that hair under control. HA! HA!

Love,
Mom, Dad, and Richard III

Michael,
You've made us very
PROUD!

We hope you continue to
attain all the goals you've set
for yourself.

Punky,

We feel so fortunate to have you for a child
We love your bright face
When we talk seriously about the world
We love your smile
When you laugh at the inconsistencies in the world
We love your eyes
When you are showing emotion
We love your mind
When you are discovering new ideas
And creating dreams to follow
Many people tell us that they cannot talk to their children
That they cannot wait for them to leave home
We want you to know
That we enjoy you so much and
We look forward to any time we spend together
We are so proud of you and we love you Samantha
