

Autumn Peacock & Brittany Wrightsman

"I hope you never lose your sense of wonder. You get your fill to eat, but always keep that hunger. May you never take one single breath for granted, God forbid love ever leave you empty handed. I hope you still feel small when you stand by the ocean, Whenever one door closes, I hope one more opens. Promise me you'll give faith a fighting chance, And when you get the choice to sit it out or dance, I hope you dance.

I hope you never fear those mountains in the distance. Never settle for the path of least resistance. Living might mean taking chances, but they're worth taking. Loving might be a mistake, but it's worth making. Don't let some hell bent heart leave you bitter, when you come close to selling out, reconsider. Give the heavens above more than just a passing glance. And when you get the choice to sit it out or dance, I hope you dance."

From the time you both were walking you have been inseparable. It has been so much fun watching you two grow up. I am so proud of both of you! When it is time for you to walk your separate ways, I hope your special bond remains strong.
