Superintendent Murray Pride presents a Roachdale High School diploma to Mr. LeRoy Miller, Class of 1946. Mr. Miller went into the military and could not finish high school with his class.

The pole vault and high jump records set in 1981 by then-senior Chet Clodfelter, at right with Principal Alan Zerkel, earned him the NPHS Outstanding Alumni Award. Clodfelter, a co-founder of the Greencastle Physical Therapy and Sports Medicine Center, went to Purdue University on a track scholarship.

## Recognition/Retirement Dinner

Retiring with Mrs. Greeson was Susan Hurst, an instructional assistant at Bainbridge Elementary, shown with Superintendent Murray Pride and School Board President Dale McGaughey (right photo).
