Just the two of us...Kayla Judy & Marissa Fenton run their hearts out.

It's stretch time...(right photo) The guys take time from stretching to flash us their best smiles.

SHE'S AMAZING!!! Senior Cassie Hunt had an outstanding year making it to the state finals with her lightning speed. Cassie managed to place 14th. She has been the county, conference and sectional champion for three consecutive years, she won regional twice and finished as semi-state runner-up twice. Cassie was named this year's IHSAA Mental Attitude Award winner. She was presented with the traditional \$1,000 scholarship to North Putnam in the name of Cassie Hunt.

Running Hard: Shawn Stout perfects his stride during a home meet.

Just Chillin' Seniors Crystal Thomas and Laurel Fordice make sure they're properly stretched before a meet.
