North Putnam's Girls Varsity Basketball team made history by being the first team EVER in Putnam County to have a PERFECT season, 20-0. The Lady Cougars defeated Tri-West and Cascade creating their fourth consecutive sectional championship. The team went on to play the #1 ranked Heritage Christian Eagles; the girls beat the odds and came out victorious with a 37-34 win. The girls then played the Batesville Bulldogs in an easy match to secure their second consecutive regional title. NPHS then traveled to semi-state for a rematch against the Southwestern Rebels. The girls played hard but were unable to come away with a victory. They finished their season 24-1. Congratulations to seniors Krystal Parker, Cassie Hunt, Mischon Dahlstrom, Ricki Keil, Brittney Miller, and Ashley Saxe for four years of hard work and success.
