Alex,

Having you in high school has been so much fun! Seeing you and your friends grow into young adults. Time for the next chapter (college). Thanks for being a great person. I am so proud to be your father.

Your efforts in high school prove you have what it takes to be successful. A kind heart, a zest for life and steadfast determination. We're proud of you and will love you always.

Mom and Dad

It seems like only yesterday you were just a baby and now you've grown into a fine young man about to graduate. You have accomplished a lot throughout your high school years and we are very proud of you. Your life is just beginning. Now it is time for you to leave your mark on the world. There's a whole new world out there and you will have bumps in the road, but always try and make good decisions. If you ever need us we're always here for you. Good Luck and God bless you. We love you.
