# JOHN HUFFMAN

They say, "the shortest distance between two points, is a straight line." But this was never your style. As you begin your journey down life's highway, take time to enjoy the scenery. Gain courage and wisdom from your defeats, strength and confidence from your victories. We are proud of your accomplishments, and the person you have become.

As the next chapter of your life begins, remember, "Hard work always pays off in the end." Work hard and live each day to the fullest.

Love always,  
Mom and Dad
