Our little wet rat! That's what we thought our little 2b 11oz 12in boy looked like at birth. That was 18 years ago, look at you now. You have become such a great young man! Keep up the good work. Work toward your goal and stay close to God. We love you! Good luck in life! We will continue to remember you in our prayers and will miss you!!

Now is a time for you to celebrate...the accomplishment of a dream you have worked so hard to realize. You have shown so many people how special you are. Now is the time to begin to pursue the next path, to reach out for the next star, and to achieve the things that are so important to you. Always keep your dreams alive and keep them coming true.

Dear Katie,
We have marveled at your strengths and accomplishments, been awed by your imagination and filled with pride at the young woman you have become. May God richly bless your future, sweetie, as you follow Him. (Matt 6:33)

Love always,
