

### Nathan Allan Rogers

Nate, first and foremost I'm very proud of you. As the oldest child you have proven yourself to be an intelligent and self assured young man. With these characteristics and an optimistic attitude, I'm sure you'll go far & be very successful. But always remember your family roots and that me, mom, Nick, D, Meg, Grandparents, aunts, & uncles are always here to help you with the biggest & smallest trials & tribulations. But most of all don't forget to call, you know how we worry. During good times or bad no one will appreciate or stand behind you like your family. Proud to be your Dad, Love Always.

There are so many things I want for you as I watch you grow into your own life... So many wishes for you are in my heart. I wish you the pride that comes with knowing where you're from and the peace that comes with knowing who you are. I wish you the strength to face challenges with confidence and the wisdom to choose your battles carefully. I wish you the satisfaction of seeing your goals achieved and the contentment that is born of simple things, work well done, friends well loved, moments caught and cherished. And my greatest wish for you is that you will always remember how much you are loved. You are a truly beautiful, unique person... I am so very proud of you...Love Always, Mom.

From,  
Dad, Mom, Nick, D, and Meg

We couldn't be more proud of you for all of the accom-  
plishments you've made over the years!

Remember—you should always learn, with life comes
