In order to succeed in life you will have
obstacles and hardships in your way. When
you face one you need to keep your
priorities as your main goal and strive for
them even harder every time, especially
when people think you can't.

Amanda Lynn Weems
Don't walk in front of me I may

Congrats to everyone on graduating. I
want to wish Morgan good luck at
recruit training...I will see you on the
other side, it's been real, it's been
fun, but it hasn't been real fun.
Everyone who backed me in my
decision to join the Corps...thank
you!! Semper Par!
