Looking forward to a good season. The North Putnam football players look toward the field for what they hope will be a good outcome.

Senior captain Trent Dahlstrom gets a ride off the field after he broke his ankle. Sadly, this would be Trent's last game of his high school career.

Senior runningback Tom Little looks out toward a touchdown during the game against Danville.

**Senior Trent Dahlstrom:** "Senior leadership was great, and I hope we left a stepping stone for the underclassmen. I hope they follow a good lead next year, and I hope they improve greatly."

**Senior Kyle Kirkham:** "I will miss the Friday night lights. The two-a-days, live-in camp, and summer workouts are worth all 48 minutes of every Friday night."

**Senior Josh Stigall:** "Throughout our years as football players, we have overcome the blisters from the rope, and the adversity, in which we were faced. The hardships, along with many losses were disappointing, yet when the time came (sectional) we seemed to take our opportunity to rise above and climb the rope."

**Senior Tom Little:** "The day that you don't want to work, is the day that you get stronger."
