

Miles,

From the moment you were born until now, you have brought so much pride and joy to us. To have a son as curious and intelligent and fun as you are is truly a blessing. You have accomplished much so far and we are confident you will continue to shine.

May God bless you in all that is to come and in all that you do.

Love Always,
Mom and Dad

It seems like it was just yesterday I brought you into this world. Now you are a senior, and have grown into a beautiful, caring, loving young lady. You have given me so many wonderful memories, that I will hold very dear in my heart. I am so proud of you in many, many ways. Just remember to always hold your head high and be very proud of who you are. We have been through a lot together, but we made it. I say to you Chaunta, I love you very much, I cherish not only being your mom but being your friend and remember this for me "Side By Side We Stand Hand In Hand!" I know Derek would have been very proud of you, he will always be your guardian Angel!

Love Always and 4-ever,
Mom
