Graduation is a time
For feeling very proud,

For being who you are,
For making something of yourself,
For making it this far.

For thinking lots of lovely thoughts
And saying them out loud.

A daughter is a wonderful blessing,
A treasure from above.
She's laughter, warmth and special charm,
She thoughtfulness and love.

A daughter brings a special joy,
That comes from deep inside.
And as she grows to adulthood,
She fills your heart with pride.

With every year that passes,
She's more special than before.
Through every stage, through every age,
You love her even more.

No words can describe the warm memories,
The pride and gratitude, too.
That comes from having a daughter,
To love and cherish... just like you!

Scarlett I am so proud of you. I told you that you can do anything when you put your mind to it. "Honors" yea!! :) I don't want you to forget that. I knew you could. As you leave high school and go on to your next journey enjoy every minute and always remember how much I love you and reach for the stars! Make all your dreams come true.

Tim,

You are an ideal, a voice of youth, and a promise of achievement still to come... You are the sparkle in our eyes and the pride in our hearts... The courage that gives us strength and the love that gives us life... You are our inspiration and the best gift we've ever received.
