"The 2006 Winter Drumline was made up of 17 freshmen, sophomores, and juniors. This year's show was entitled "Pop Culture Marathon", and included music such as the Mario Brothers theme, music from the rock group Queen, and Michael Jackson's "Thriller". The drumline set an NPHS record high score of 70.3 at state prelims. The group practiced 3 times a week starting in November and continued through 5 weeks of contests that ended in March." - Drumline Director Mandy Grahn
