Nicole,

You made it and we're so proud of you. We have really enjoyed watching you cheer. The most memorable school event was watching you and your cheer squad win the State Cheer Championship. Way To Go!! What a great way to end your senior year of cheerleading. As you go through the rest of your journey in life, remember to keep God in the center of all you do! Good Luck at Purdue. We love you so very much!!

## Brayden Dahlstrom

### The Year that Almost Wasn't!

Baseball season, Spring '06  
Strike-outs, catches, hits and picks

The first game under new lights,  
So well we would remember that night.

It seems we had an outfield collision,  
and certainly the outcome we could not vision.

Metal rod in one's leg and a ruptured spleen,  
None of us knew just what it would mean.

No driving, running, swimming or school,  
6 weeks cease activity that was the rule.

To our relief, one week before scrimmage,  
The doctor would clear you with just one more image.

That Brayden Dahlstrom incredible smile,  
Came back that day, after a long while!

Then football '06 wins 1,2,3,4  
Were incredible enough, but wait there were more!

Won county, conference, undefeated season,  
Then Sectional, Regionals-that was the reason.

On to basketball season which was long and hard fought,  
Peak and Q's passion is always well fought.

Back to baseball, the outfield and once again,  
You are standing out there, with your friend.

This year though, we will hear this line,  
Tyler and Brayden yelling, "Mine, mine, mine!"
