We Got What it Takes

The 06-07 Varsity/IV Cheerleading squads took their first claim to fame by winning the Spirit Award at the Clinton County Fair competition. They also took 3rd place at the Putnam County Fair and 6th place at the State Fair. After being pumped up from the undefeated football season, the squad placed 2nd at Regionals and within a week came home with the 2006 2A State Championship Title.
