*Michael Tewes plays his heart out at a night performance.*

*Drew Harris concentrates on his playing and marching.*

*Devin Gilmore and Dustin Steele wait for the signal to start the show.*

*Katlyn Lawyer, Emily Haas, Kirstin Mindiola, and Courtney Coglan standing respectfully.*

"Colorguard...to those who understand, no explanation needed...To those who don't, no explanation possible. Guard is your own little family at every Friday night football game, Saturday competition, and 2 nights a week of practice. Who could forget every morning first block with Mr. Knoll, even after the season is done and you've graduated."

*-Courtney Coglan*
