

Battle of the Bands

Derek Steele, Jared Hasler, and Jake Munns perform.

This year's Battle of the Bands consisted of locals: Shattercore, Unstable, The Flying Graysons, Dread the Fall, and Verus.

In the end, the winner of the night was actually one of North Putnam's very own—"Verus."

Ashley Novak and Kassie King hang out by the stage during one of the shows.

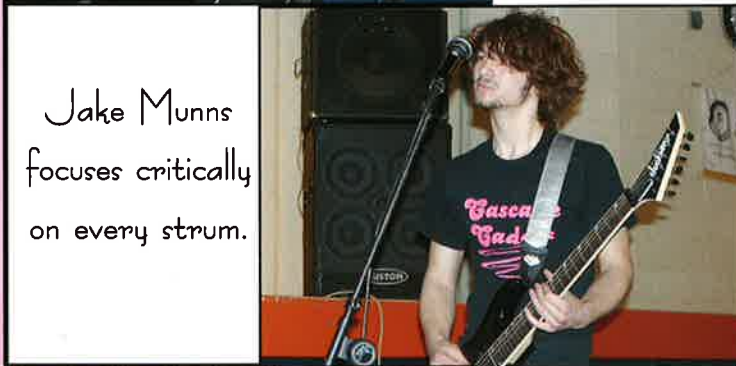

Daniel Proctor, Jared Hasler, and Bill Shearer pose for a photo.

Derek Steele, lead singer for Verus, sings "Feeding the Addiction."

Jared Hasler, bassist for Verus, plays the low-frequencies for the band.

Jake Munns focuses critically on every strum.

Chris Martin and Brett Cox hang out and play songs before the show.
