It's not just jerseys and sweat. It's more than sidelines, yardlines, and refs. It's more than just the players. The cheerblock is the heart of the team, and it holds the players together.

**Cheryl Mitchell**  
Yeah, it's kinda hard to cheer for a team that never wins. Ho Ho.

**Kacy Wendling**  
Give me an UN-DEFEATED.

**Dakota Malayer**  
The cheerblock is amazing! We get bored after the first quarter sometimes because we are blowing teams out, but we keep cheering.
