

CORRINNA HIGGINS

Corinna, We are so proud of you. Look at you. Grown into a loving and caring young lady. You have worked hard and accomplished a lot. Your dedication is what and where you're going in life. For as long as we can remember, you've always said you were going to be a vet. Well you are ready to graduate and off to college to fulfill your dreams- a veterinarian. You've always had the patience and lots of love for all animals. Even all the strays you kept bringing home to care for. Always remember we are here for you and love you so very much.

Love you always,
Dad and Mom

Kirstin Mindiola

Our Precious Angel. You always bring us great joy. Follow your heart and dreams and you will succeed. You are the one that holds the key to your future. As you spread your wings, continue to make good choices, have a positive attitude (sometimes it is not what you say, but how you say it), find the good in people and of course Dad's favorite saying "concentrate on the task at hand!" Fill your heart with joy and laughter. Remember the most important thing: We will always be there for you. Enjoy life!

We are very proud of you and love you very much.
Mom and Dad

RACHAEL SMITH

Rachael, we are so proud of you. You bring so much joy to everyone, and everything you do, Dad and I will miss your smiling face around the house every day. But you're going to knock their socks off at Purdue. The next 4 years are going to be very hard, but your reward will come, you'll have the rest of your life to challenge yourself, seek new opportunities and be all you can be. Your high school years have been unforgettable, the rest of your life will be the same, you make every moment special. Keep on track, see the world, nothing can stop you now!

We love you,
Mom and Dad

Jeremy Minor

To Our Little Man: Jeremy
WOW!! Almost at the end of your senior year already and college bound. How fast the years have gone. Seems like yesterday we taught you how to ride a bike and had to "let go". Here we are again having to let go so you can do it "on your own". As we were there for you then, we will still be here for you as you go through your journey of "life". You have the Lord in your heart and always trust in Him first and foremost as He will guide you.

We Love you and are very PROUD of you!
CONGRATULATIONS!!!

Love and Hugs,
Mom and Dad
