

COUGAR FOOD PANTRY

An exciting new program will take place in North Putnam Schools beginning in January. Gleaners Food Bank of Indiana is collaborating with our school corporation to provide a school-based food pantry that will be housed at North Putnam Middle School. This pantry will be in Room #125 off the Commons Area at North Putnam Middle School. The Cougar Pantry will be open the second and fourth Wednesday of each month from 5:00-7:00 p.m. and opened January 25. We are offering this program as a free service to our families. We are proud to work together as a community to meet the needs of our children and families. The Cougar Pantry will be open on the following dates:

January 25, 2012

February 8, 2012

February 22, 2012

March 7, 2012

March 21, 2012

COMMUNITY COUNCIL SURVEY

Members of the North Putnam Community School Corporation Community Council have created a survey addressing parent satisfaction within North Putnam Community School Corporation. Parents may access the Community Council survey by going to the North Putnam School homepage. On the top of the homepage, you will find a menu bar. The Community Council link is found on the right. When you click on the Community Council button, you will see a list of North Putnam Schools. Click on the school link you are completing the survey for, and you will be directed to that particular school's survey. Parents may complete a survey for more than one school by repeating the process for each survey they wish to complete.

The survey opens on January 23. Please take a few minutes to complete the survey on or before the close of the business day on February 3. Thank you.
