

Bainbridge Elementary School

Mr. Rodney Simpson, Principal

Mrs. Jeanna Amos, Counselor

Principal's Message

Congratulations to our 4th and 5th grade Math Bowl Teams. A team of students had a perfect round during the practice competition. They will be back in action on Feb. 25. You make us proud at Bainbridge Elementary.

We are preparing for ISTEP+ and Third Grade IREAD. ISTEP+ will be Feb. 29-March 11. Third Grade IREAD will be March 14-18. Please try to make appointments not during testing time. It is very hard to do make ups. Some ways you can help at home: Have your students practice reading non fiction material every night. Have them read a little longer each time to build up their stamina. Knowing math facts will really help. Practice problem solving story problems. Have them write about what they have read in a complete sentence and thought. It would be very good if students can write a page or more. Staying on topic is very important. Eat a good breakfast and get plenty of rest. Encourage your child with positive thoughts or notes about testing.

If you are able, please work with your child's classroom teacher to send in a healthy snack for each day of testing.

We will be getting information out about the Spring Carnival very soon. We can use your help. Please watch for information. We will hold this on Sat. April 9. We will be having a chicken and noodle dinner as well as games and baskets.
