

BAINBRIDGE

ELEMENTARY

KINDERGARTEN ROUND-UP

North Putnam Community School Corporation has announced Kindergarten Round-Up dates as follows:

Wednesday, April 25 - Roachdale Elementary 6:00 PM

Thursday, April 26 - Bainbridge Elementary 6:00 PM

Parents should enroll their children at Bainbridge Elementary or Roachdale Elementary depending on where they reside. Children should accompany their parents to Round-Up because they will be meeting the Kindergarten teachers and learning about school. The Round-Up will last an hour to an hour and a half.

Children who will be 5 years of age on or before August 1, 2012 are eligible to enter the Kindergarten class for next year.

Parents must bring the following to Round-Up: A legal birth certificate and proof of immunizations.

Attendance at Kindergarten Round-Up is very important; however, those unable to attend should contact the respective school offices to verify their child's placement in Kindergarten for the 2012-13 school year.

Anyone with questions may phone Roachdale Elementary at 522-1732 or Bainbridge Elementary at 522-6233.

ST. JUDES MATH-A-THON

Bainbridge Elementary is once again collecting for St. Jude's Children's Hospital. Our students will help desperately ill children by raising money for research and treatments.

Students must have permission from their parents to participate. They then will get sponsors who may donate to them directly or online for their personal fundraiser.

This fundraiser is unique in that students do math problems and puzzles in their Funbook. They then receive prizes for the donations they collect.

Last year we collected over \$800 for St. Jude's.

A flyer will be sent home April 3rd. If you have any questions, please call the school or go to mathathon.org. Thank you for allowing your child to help others in need.

REMINDER

Students will not be in school the following dates:

- Monday, April 9
- Monday, April 16
- Monday, April 23
- Monday, April 30

These snow dates were set in the 2011-2012 school calendar as make-up days should we have snow. Due to our extremely mild winter, we will not need snow make-up days this year.

BOOK FAIR

Bainbridge Elementary will host our spring Scholastic Book Fair May 1-4 in the Media Center. This spring fair allows students, teachers, parents and patrons to buy one book and get one free. This is an amazing sale with lots of titles and authors. There are other items to buy as well as books. Please stop by to see the wide variety of items to purchase!
