

BAINBRIDGE ELEMENTARY

THANK YOU

Parents, Grandparents and Community Members:

We want to thank you for all your help and support this school year. Without you, we would not be able to do our work here. Our Volunteer Program has been a great success. We have more than doubled the number of folks who are helping students and teachers as volunteers. There are parents and grandparents who come into our school to work and there are those who work from home. We thank you. The hours and support you give us are appreciated so much. Your time helps all of us at Bainbridge Elementary. We hope to see you again next year!

LOST AND FOUND

We have several items that have been lost by your students. There are winter coats and jackets that have been left in the cafeteria or in the gym. We have six to eight pairs of eye glasses in the office. There are several miscellaneous toys, games and jewelry located in the office as well. If you believe

your child may have lost one of the mentioned items, please have them visit the office or cafeteria. You may stop by, as well, to take a look. We dispose of these items at the end of the school year. Thanks for your help.

SUMMER FUN

Please don't hesitate to continue to practice skills with your child over the summer. Many teachers will be sending home summer packets to help parents with maintaining present levels of success. Playing games at home, in the car or while waiting for an appointment is a good way to review skills. Always read!! This will only help your child retain what he/she has learned and prepare them for the beginning of school next fall. Have a great summer!
