

Bainbridge Elementary School

Mr. Rodney Simpson, Principal

Miss Jeanna Butler, Counselor

Principal's Message

Congratulations to our 4th and 5th grade Spell Bowl Teams. Both teams placed first in the competition held at Central Elementary. You make us proud at Bainbridge Elementary.

For the safety of all staff and students we will not be warming up home lunches in the microwave. When sending a home lunch, please send something that does not need cooked or heated in the microwave.

It is hard to believe how fast this first semester has gone. The staff and students have been working very hard. We have a big goal this year to raise our school letter grade to an "A". With everyone's hard work from home and school, I am confident this can be done. You can help at home by communicating with your child's teacher, read with your child, study and memorize math facts, and help them complete their homework on time.

Construction is still taking place. During our breaks they will be working on the cafeteria and restrooms. New shelving is being installed as well as ceiling tile at this time.

I wish you all a very Merry Christmas and a Happy New Year.

Upcoming Events
