"Every Child, Every Day, Whatever It Takes!"

**School WILL be in Session on Monday, January 16. This will be a make-up day for the day that was missed due to parent conferences in October.**

## MID-YEAR ASSESSMENT WINDOW STARTS IN JANUARY

During the months of January and February, students in all grades will participate in middle of the year (MOY) assessments to gauge growth from the start of school to the end of the first semester. Students in grades K-2 will complete MOY DIBELS assessments, while students in grades 2-5 will take the Performance Series assessment online. All assessments given will be in the areas of reading and math.

Once the assessment window is completed, data reports will be sent home with your child. Reports should be placed in the orange assessment folder that was given to you around parent-teacher conference time in October. If you have any questions about the assessments or the data report, please contact us at 522-1732. Please encourage your child to do his/her best so we can get an accurate measure of their progress.
