## The Spirit of Giving

Fifth grade students visited Mill Pond nursing home in December to spread some holiday cheer and deliver care packages to the residents. This service project has become an annual event for the 5<sup>th</sup> grade students at Roachdale, as they give their time and donations to create the care packages. During the visit, students talked with the residents and even treated them to some Christmas caroling.

## Kings of -ING

Students in Mrs. King's class recently became the masters of the word ending "-ing" earning them crowns and the title Kings of ING! Keep up the great work first graders!
